Notices of New Publications. THEOGORIGAL AND SCULESIANTICAL LITERATURE Proposed by the Rev. Jone to Colonian of the Medican State of the Proposed by the Rev. Jone to Charge: The Brain State of the Proposed by the Rev. Jone to the Milled Rev. Parking Source, Jones James Parking Source, Charge: The Brain Source, Chicago: The Brain Source, Charge the State of the Proposed by the Rev. Jone to the Milled Rev. Parking Source, Charge: The Brain Source, Chicago: The State Source, Chicago: Councided with the Medical, and Practical Theology. Under these heads the student with fail material for reference of caves from widely-is attend source, on Lepice councided with the Medical, and Practical Theology. Under these heads the student with fail material for reference of caves from widely-is attend source, on Lepice councided with the Medical State Source, and councided with the Medical State State State Stat life will be found very easily by the reader. Some really bedlinks and graphic passages are size as extered through the book, describing easint-jung graphic point. New Orleans, and in the ewanipue of Louisians, and as a record of the Department of the Gulf, it also contains much esteady and the Gulf, and the Colling erdines array of subjects. In further obsci-dation of these topics, the work is profused; illustrated with maps, charts, and engra-ings, which have been as carefully propured and selected as the text itself. One source of limination, nithinto isso-mich neglected, we seeke to numination, has been freely used in the shape of ents of coins, metaks and gome. These little brief chronicters of the timbs are of immense and B, to which this volume is deviced, over two thousand topics are discussed and illustrated. For this accessor the master of the completes are sufficient granules.

The O'spainston: Leaddfallor: Administration of the Treatment of the Theory of the Company of the Treatment of the Company of the Co habitants described the pro-time, not a house is stageing upon the town site.
